## Community Care Everywhere – For Members

Community Care Everywhere members may get care through Community Virtual Care or any of our convenient Community Clinic at Walgreens locations in Central Indiana. See below to access care.

### Get Care

#### Community Virtual Care Visits

Community Virtual Care connects your employees and their families with board-certified providers to receive care for minor illnesses and injuries from the comfort of home. Visits are completed over the phone or through a secure video visit. Community Virtual Care is integrated with Community's EMR and patients will have access to their after visit summary through MyChart. Patients must be located in Indiana to access virtual care.

**Hours:** Daily, 7 am – 11 pm
