

## Post Active Treatment Support Group

**You've recently finished active cancer treatment. *Now what?***

**Join others who are moving into a “new normal” when things may not feel “normal” at all.**

**Who:** Patients who are out of active cancer treatment and now in follow up mode

**What:** Explore how cancer has shaped life so far, and what might be next for you

**When:** 12-1 pm, Every 4th Thursday of the month beginning March 27, 2025

**Where:** 1st Floor Interfaith Chapel, across from the FigLeaf Gift Shop at Community MD Anderson Cancer Center - North

**No registration required; walk-ins welcome.**

For additional programming, please visit the survivorship webpage at [eCommunity.com/survivorship](https://eCommunity.com/survivorship)
